Professional Experience

Freelance work 2010–Present

I do a variety of work for various people including: branding, design, and web development.

Jostle February 2015–Present

I am a UX Designer working on the product design and marketing materials for intranet software.

Free Agency Creative June 2012–February 2015

I designed and built websites for a variety of clients in industries ranging from real estate to lifestyle.

Grad Catalogue April 2011

I assisted in formatting and placing content for a number of the Emily Carr graduation catalogue.
